Pub (Sar) Dept.

Please see para 5 of the draft order and Dev. note above. They propose to exclude the temporary posts to be sanctioned from the

purview of Statutory rules as was done in the case of other temporary posts sanctioned in the Govs at (B) & (A) for work in the factories at Kollegal. It is observed from 2 of those Govs that the terms of the declaration contained therein are not of general applic to all the temp'y. staff that may be employed in the two silk factories, but apply only to posts in respect of which specific sanction has been accorded in those orders. Further, posts similar to those of Motor Drivers and cleaners now proposed to be sanctioned have not been sanctioned in the two Govs mentioned above. In the circumstances it would seem necessary to issue a separate declaration in respect of the new posts also as was done on the previous occasions. Para 5 of the draft would therefore require modification in this respect.

This is necessary. CSM 20/1/44
